Leadership & Development Coach,  
Speaker, Facilitator & Podcast Host

Soul Powered Executive Coach Tess Vergara addresses the conflicts many executives face between mind and heart, soul and ego. Through her coaching programs, Tess guides executives, leaders and changemakers to the shift from fear power to Soul Power so they can fulfill their unique mark in the world. Soul Power is the revolution that helps leaders achieve financial freedom and abundance, master productivity and creativity, and gain true wealth and happiness in a way that feels good and right without compromise and inner conflict.

Tess is the host of Soul Power To The People Podcast.  
Elevate Soul Power. Create Success No Matter What.
